B. FEDERAL INCOME TAX WITHHOLDING

The Board of Trustees is **required** to withhold federal income taxes from the taxable portion of your benefit unless you specifically request otherwise. The amount withheld depends on the form of benefit you have elected:

- For taxable installments paid out over 10 years or more or for taxable annuity payments: based on current income tax rates for a married person with three exemptions. You may designate some other rate if you wish.
- For all other taxable distributions: at a 20% rate unless you elect a direct transfer to an IRA or to another eligible retirement plan.

If the amount withheld is not sufficient, or you elect not to have tax withheld from your installment or annuity payments, you must pay the applicable income taxes on your own. You may incur penalties under the estimated tax rules if your withholding and any estimated tax you pay are not sufficient. For this reason, you may wish to consult your own tax advisor.
